

UPDATES

Through your support we currently have over 300 refugee-led organizations (RLOs) registered on [Reframe.Network](#). We thank you and hope you will continue to spread the word. Tell a friend to tell a friend about the platform.

- Our RLO partners are taking the lead in responding to the Sudan Crisis. [ICSS](#), [SWPDA](#) & [HRRDS](#) have been supporting the forcibly displaced migrants with food and non-food items. Please check out their work and support them through Reframe.
- Reframe Network in collaboration with [YVC](#) & [Samuel Hall](#) will be working on a social media campaign meant to create awareness on the work of our partners globally. We will be reaching out to those who would like to participate in this campaign to come up with creative blogs, stories from the communities and even dedicated social media hashtags.
- Cohere will be hosting monthly webinars to strengthen the organizational capacity of our partners. For the month of July, the focus will be on financial capacity based on the needs of the partners. If your organization is interested in participating in these webinars, please let us know and we will gladly invite you to the next webinar.

GROW OUR COMMUNITY

Do you know other refugee-led organizations who want to get involved?

- We want to keep growing the Reframe platform so more RLOs can benefit from this network, the resources, and opportunities being shared. If you know of any RLO doing amazing work in their community please tell them to visit the site, sign up and reach out to our team.
- Are you following us on Twitter yet? Make sure you follow our [Twitter page](#) to get the latest news and updates.

OPPORTUNITIES

The [Opportunities](#) page on the Reframe website will show relevant and available opportunities for RLOs to network and get support for their work depending on the thematic areas they focus on.

Here are some of the latest opportunities:

- [Fondation Mireux](#) - is giving grants to support organizations working in the education, HIV/AIDs thematic areas. Please go to their website and check out their eligibility criteria before applying.
- [Needs List](#) - is a platform that allows CBOs/RLOs/NGOs to fundraise for basic needs and non-food items that vulnerable community members may need in a crisis situation. Please [CLICK HERE](#) to request access and register your organization on the platform especially if you work in emergency settings.
- [Kuja Link](#) - KujaLink facilitates direct donor access to local and national civil society organizations (CSOs) in countries which receive development assistance and humanitarian aid. The platform enhances the visibility of and helps establish connections between funders and CSOs leading to an increase in direct giving. Please [CLICK HERE](#) to find out more.
- [DWF Foundation](#) - is giving grants to support organizations working in the education, livelihoods, Homelessness, Health and Well-being & Environmental Sustainability thematic areas. Please [CLICK HERE](#) to apply or go to their website and check out their eligibility criteria before applying.
- The [WaterLoo Foundation](#) is giving out grants to organizations supporting environmental programmes. Please [CLICK HERE](#) to check out their eligibility criteria and their application process.

[UNLEASH](#) - is a week-long (ish) bootcamp focused on developing solutions to the UN Sustainable Development Goals. Accepted participants will travel to Rwanda where they will be placed on a team, given training in the basics of human-centered program and project design, and asked to develop a solution to a specific social impact challenge. At the end, they will have the opportunity to pitch to a panel of investors. Please [CLICK HERE](#) to check out their eligibility criteria and apply.

ABOUT [Reframe.Network](#)

Reframe is an online platform that helps RLOs and marginalized host community organizations to showcase their work and get direct support from their potential partners globally. To achieve this, reframe works with a few support partners to empower the RLOs. Through this joint collaborative effort, over 300 RLOs have managed to register their profiles on the platform and we hope that the number will keep on growing.
